### COMPREHENSIVE REPLACEMENT, SERVICE AND REPAIR COVERAGE (Optional for term of Rental)

The following coverage is available through the Seller; however, the Seller does not require comprehensive replacement service and repair coverage, and such is not a factor in Seller's approval of Renter's credit.

**REPLACEMENT:** In the event of loss by fire, theft or irreparable damage, the instrument will be replaced with one of equal quality at no charge. Proof of theft must be substantiated by reporting same to local police or sheriff's department, school principal and teacher. A copy of police or sheriff's investigation report must be sent to WOODY'S MUSIC before replacement can be made. Judgement of irreparable damage will be made by WOODY'S MUSIC.

**SERVICE:** All adjustments and repairs necessary to keep the instrument in proper playing condition will be made when delivered and picked up from one of our locations. Coverage does not include replacement of expendable accessories, restoration of finish, or cosmetic damage such as minor dents or abrasions. Case not included.

**REPAIR:** With any accidental damage to the instrument which interferes with its performance, the instrument will be restored to perfect playing condition including replacement of parts. Case not included.

\*Yes, I do wish to have the optional replacement, service and repair coverage on the instrument rented from WOODY'S MUSIC. For this coverage I agree to pay \$ \_\_\_\_\_ per month in advance along with my regular rental payment. The applicable charge will be added to each monthly installment. I understand that failure to keep these monthly payments current will cause the coverage to be forfeited.
